

As Long as We're Together

Surreal art, thoughtful details and a sense of belonging.

Core digital artwork

ONE SHARED SHELTER

A rooster, a hen and their chick shelter beneath a red leaf. Around them, a storm gathers; in the water below, another sky opens to light.

The artwork carries through to objects in four restrained motifs: a red leaf, a suspended drop, fine ripples and black-and-ivory feather markings.

SELECTED APPLICATION CONCEPTS

Porcelain & tableware

Home textiles

Ceramic sculpture

For partners

Art print publishers, home décor and gift brands, manufacturers, interior designers, hospitality projects and licensing agencies.

Further directions: silk scarves, bags, stationery, ceramic wall reliefs and coordinated interiors.

Development & collaboration

AI-assisted artwork and visual concepts under Kamilla Akhmin's artistic direction. Physical prototypes, production files and final material specifications are not yet available.

Category, territory, term and any exclusivity are subject to agreement. Final artistic approval remains with Kamilla.
